Director's Column: Tony Topicz

I was again glad, to see a nice turn out for our July meeting at the Arnold's home, who gave us another great POKER RUN tour. We also had three new members join at the meeting, Rick & Carol Caldwell, Kyla Owens, and also Joanna Sosnowski. We're looking forward to getting to know the new members and helping with their cars if we can.

Update from the Trophy Case

By: Elmer Stanukinos

It won't be long until the BIG Car Show!

Yes Ladies and Gentlemen, we are under 30 days away, and the way time flies, it will be here before we know it.

The Show 'N' Tell Car Show is the Biggest Fund Raiser we have for our club and as a result we

still need help selling sponsorships for our Sponsor Directory and Recipe Book. All we need from you is a little time and a little sales savvy. Just stop at any place you frequent and ask if they would like to be a sponsor for our Show 'N' Tell Car Show. For just \$50.00 they would be able to join other sponsors in our Show Sponsor Directory with a business card. When you show them the directory from last year that was given to every participant and explain that more people will hold on to this book because of the recipes, so their business card will get a lot more views than just being on a trophy. If they don't have a business card, no problem, we will make one for them. If someone would want to honor a loved one or place a special message in the directory, we can do that too.

Also, if your prospective sponsor could donate anything for our goody bags or door prizes, we would really welcome that. We are planning to fill the goody bags shortly after the August meeting and if you could bring your sponsorship money and cards and anything to fill the goody bags or a door prize that would be awesome. I'm willing to help if you have any needs.

Thank you for your continued support....we couldn't do it without YOU!

National Club News

Are you a member of the National Clubs?
Here are some great benefits to joining one or both!

Model A Restorer's Club (MARC) - East Coast

- Each member receives an award winning magazine "The Model A News" published bi-monthly. It features fantastic articles and information about the Model A Ford.
- If you are looking for a Model A you may find one in the "Cars for Sale" section in the Model A News which is free to all members of MARC. The same is true if you are looking to sell a car or parts and the "Wanted" section will give you an opportunity to find a part you may be looking for.
- You and your family will be able to attend national conventions designed for "Fun for the Whole Family".

Model A Ford Club of America (MAFCA) - West Coast

- The Restorer Magazine (6 issues per year)
- Technical support (free via mail or email)
- National banquets
- National Tours
- Paint and Finish Guide
- Hardware Standards
- A series of publications on "How to Restore Your Model A"
- Era Fashion Guidelines
- A number of other publications related to the Model A Ford and its era

Each club works together to bring us the amazing Judging Standards used to help answer questions and restore your car. The standards can be ordered easily online at the supply houses or from

MAFCA at the link below:

Host an OVRMAC tour!

We need your help to plan a fall tour. The club only exists because of our love of the Model A. Tours allow us to enjoy the use of the Model A's and provide an outlet for the public to see the Model A up close and personal. This attention to the hobby will help restoration efforts, collection and encourage others to do the same; thereby helping to preserve the heritage of Henry's Lady.

Let's come up with some great tours for the end of the year. They can be as long as you like, just be sure to provide restroom and gas breaks. Think about some great local places you have been and want to take the Model A's. Bring your ideas to the next club meeting and sign up to host a summer tour.

2018 July Club Tour & Meeting at the Arnold's home

Larry and Debbie Arnold hosted a tour and the club picnic in July! The tour started at the Kroger in Cleves, crossed over the Ohio River using the famous Anderson Ferry, wound it's way through Devou Park, stopped at the World Peace Bell, and finished at the Hofbrauhouse in Newport Kentucky! The club meeting had perfect weather and some great food to enjoy with our friends and family.

We wanted to give a special thank you to Larry and Debbie for putting together such an amazing tour and for hosting the July club meeting!

Hairstyling in the Model A Era

Taken from: <http://www.mafca.com/downloads/Fashions/Hairstyling.pdf>

Men of the business and social world were most often clean shaven, wore parted, short hair, often slicked down with pomade. Sideburns were usually short. Mustaches were small and less frequently seen. Hats were worn during Formal events, with business suits, and sporting activities, but removed when indoors.

Children's hair was often a copy of adults but usually a softer, more informal version.

Even before 1927, women had entered the working world, speakeasy's and rumble seats. Many women cut their "Crowning glory" into short "Bob's" (hair worn short and close to the head). First seen as straight with bangs, it evolved to softer waved styles. They were achieved with a heated "Marcel iron", pin curls or a finger wave.

"Miss Junior" Wave

Machine waves were also becoming popular (if you had an entire day to spend in the beauty salon) as they allowed the styles to last between washings.

Foreheads and cheekbones were usually softened by "Dips" (waves), or curls.

Longer hair was controlled at the nape of the neck in one or more soft rolls, a loose knot or a cluster of curls. Although loose hair was allowed on young girls, women were considered 'cheap' if they wore their hair this way.

Transformations (hairpieces and wigs) became necessary for ladies who were growing out their bob's uneven neckline, as well as a fashion statement by some celebrities wearing flashy colors and silver or gold wigs. They came in a variety of lengths, shapes and colors. They were mainly human hair.

To do your own hair you will need setting lotion or gel to set the wave. Try not to use too much as it takes a long time to dry. Practice with waved styles or simple 'spit curls' to find the styles that look best on you. Be sure your hair is thoroughly dry before brushing or all your waves may be lost. The simplest is the finger wave. They can be straight (parallel) or angled, whichever is the most flattering, narrower waves for more formal occasions and softer, wider waves for more casual events. You can achieve a wave with pin curls set in rows, each going in opposite directions. You will need to be sure to tuck the ends inside the curl. If left on the outside, they will be straight and not blend into the wave. If you are wearing a hat, a simple 'spit' curl that shows may be all you need to get the "Era" look.

Even though it didn't last long, one of the few dramatic changes to hairstyles came with the advent of the Empress Eugenie hat which was worn perched to the side and required an asymmetrical hairstyle, all those cute curls and waves showing on the side.

Youth Outreach

How can we help to pass on the enjoyment and ease of use of the legendary Model A?

The answer is much easier than you think, get them out and drive the cars. If you have the chance to offer a younger girl or

guy and their parents a ride, take the opportunity. At car shows, honk the horn if you see a teen looking at the car. Once you ride in a Model A and hear that AAAA OOO GAH horn, you will have hooked them for life!

MARC and MAFCA both offer a youth scholarship program to help youth get started in the hobby and to support them as they may make repairs on the car. If you know someone that is 12-22 years old they may qualify for the program. For more information:

I have created business cards for you to hand out to people that you meet and are interested in your car or the hobby in general. A lot of times I will talk to people at a gas station or coffee shop and they want to know all about the club or car and want to know how to get plugged in with people. Handing them a card is a great way. The back is blank so you can write your contact information on it. Grab some at the next meeting.
